- Timing equipment setup, maintenance and storage
- Assist with loading and unloading of all necessary timing supplies and equipment
- Excellent customer service with race personnel and participants
- Configure, assemble and monitor the performance of electronic timing systems
- Setup and tear down of finish line infrastructure
- Other duties as assigned

Qualifications:

- Must be self-motivated and able to work with minimal supervision.
- Previous database management experience
- Excellent communication skills, written and verbal
- Must be able to prioritize and manage multiple projects at any given time
- Strong customer service skills, including when working under pressure
- Must be able to lift over 50 lbs and be on your feet for long periods of time
- Ability to travel is required
- Must be available to work weekends, select holidays and extended hours as needed.

Qualified candidates are encouraged to email a resume and cover letter to info@ozendurance.net.
